

Pay Anyone, Anywhere, Instantly.

Say Goodbye To Waiting For Your Money

Our new P2P solution delivers instant, fee free payments

Neural Payments was founded with one goal in mind: reshaping the outdated, clunky and legacy-driven payments landscape. Our P2P solution, built on our powerful payments engine, accomplishes just that. What can you expect from Neural Payments? Find out below.

Real-Time Processing

Instant payments for a frictionless user experience.

Detect Fraud Fast

Advanced fraud prevention tools keep you safe.

Available Now

Our new peer-to-peer payments tool is already available in your banking app. No sign up required.

Payment Freedom

Recipients choose where their money goes - debit, direct to account, PayPal/Venmo, or digital gift card.
